- Participated in emergency procedures and troubleshooting during bypass
- Handling patient intraoperative monitoring and postoperative care

Cardiac Perfusionist – Intern

NIMS Hospital, Jaipur

August 2024 – August 2025

- Gained exposure to wide range of cardiac surgeries
- Learnt about various equipments such as Heart Lung machine, IABP, ECMO, etc.
- Practiced maintaining sterile OT protocols and ensuring patient safety.
- Assisted in patient postoperative care at CTVS ICU.

CLINICAL SKILLS

- Setup, operation and troubleshooting of **Heart Lung Machine**
- Assistance in **cardiopulmonary bypass procedures**
- Operation and monitoring of **Intra-Aortic Balloon Pump**

- Familiar with **ECMO system management**
- Set up and operation of **cell saver systems**
- preoperative and postoperative patient care management

CARDIAC SURGERY EXPOSURE

Observed and assisted in the following surgeries (dominantly adult cases) :

- **Coronary Artery Bypass Grafting (ON and OFF pump)**
- **CABG + Valve replacement (mitral valve or aortic valve)**
- **Mitral Valve Replacement**
- **Aortic Valve Replacement**
- **Double Valve Replacement**
- **Atrial Septal Defect Closure**
- **ASD Closure + rerouting of Partial/Total Anomalous Pulmonary Vein Connection**
- **Ventricular Septal Defect Closure**
- **Tetralogy Of Fallot Correction (intracardiac repair)**
- **Bentall Procedure**

EDUCATION

- **BSc. Cardiac Perfusion Technology**
NIMS University, Jaipur (Sept 2021 – Aug 2025)
Overall percentage: 82.25%
- **12th (PCB)**
DPS, Sector 30 Noida (2020)
Percentage: 95.4%
- **10th**
DPS , Sector 30 Noida (2018)
