PROFESSIONAL SUMMARY

I have developed a strong passion for providing quality patient care. My best qualities include empathy, compassion, and patience, which have helped me build strong relationships with patients and their families. I am also proficient in various medical procedures and technologies, allowing me to provide the highest level of care to my patients.

EXPERIENCE

INTERNSHIP

METAS ADVENTIST HOSPITAL, SURAT

During my internship at METAS Adventist Hospital, I had the opportunity to work alongside experienced healthcare professionals and gain hands-on experience in a hospital setting. This experience allowed me to apply my theoretical knowledge and develop practical skills, while also learning about the importance of teamwork and patient care.

- Assisted with patient admissions and discharges
- Conducted medical record audits for quality assurance
- Observed surgeries and assisted with pre and post-operative care
- Educated patients on medication administration and discharge instructions
- IV cannulation
- IV medication administration
- Foley's catheterization insertion
- Ryles tube insertion
- Blood sample collection
- Infection control and safety protocols
- BASIC LIFE SUPPORT (BLS)
