PROFESSIONAL SUMMARY

A people-first HR & Administration leader with 15+ years of progressive experience across manufacturing, engineering, financial services, and logistics sectors. Proven expertise in talent acquisition, performance management, employee grievance handling, culture building, engagement, and statutory compliance. Known for creating psychologically safe workplaces where employees thrive and organisational values are lived every day. Adept at establishing HR systems from scratch in start-up environments and translating leadership vision into actionable people strategies.

PROFESSIONAL EXPERIENCE

Sept 2022 – Present

Sanghvi Denim Junction Pvt Ltd

HR & Admin Manager

Talent Acquisition & Workforce Planning

- Led end-to-end recruitment lifecycle — sourcing, screening, interviewing and onboarding — ensuring right-fit hiring aligned with organisational culture and goals
- Crafted comprehensive Job Descriptions for varied functions; built a proactive talent pipeline to minimise time-to-hire

Grievance Handling & Conflict Resolution

- Served as the primary grievance officer; ensured fair, timely and confidential resolution of all employee complaints in compliance with labour laws and company policy
- Conducted structured grievance hearings, maintained detailed case records, and implemented corrective actions to prevent recurrence
- Fostered a speak-up culture through an open-door policy, significantly reducing unresolved conflicts and voluntary attrition
- Mediated interpersonal disputes and management-employee conflicts, achieving amicable resolutions that preserved team trust and cohesion

Culture Building & Employee Engagement

- Championed a positive, inclusive workplace culture by designing year-round engagement calendars — town halls, recognition ceremonies, team-building events, and wellness programmes
- Launched a structured Rewards & Recognition programme that reinforced core values and visibly improved employee morale and productivity
- Partnered with senior leadership to define and articulate organisational values; embedded them into hiring, appraisals, and learning initiatives
- Drove immersive onboarding journeys that accelerated new hire integration into company culture, reducing 90-day attrition

Performance Management & L&D

- Designed and operationalised PMS including goal-setting, mid-year reviews, and annual appraisal cycles with KPI-based scorecards

- Conducted systematic Training Needs Identification (TNI); designed and delivered in-house programmes on compliance, soft skills, and role-specific competencies

HR Compliance & Administration

- Managed Attendance, Leave, and end-to-end Payroll with full statutory compliance
- Conducted exit interviews, FNF settlements, and attrition analysis to inform retention strategies
- Maintained statutory records, safety & security standards, canteen and office administration

Feb 2019 – Sept 2022

Cretek Engineering Pvt Ltd

Manager – HR / Finance / Admin

Talent Acquisition & HR Operations

- Managed complete recruitment lifecycle from sourcing to onboarding; developed JDs for all key positions across engineering and support functions
- Implemented PMS with structured review processes, objective appraisal criteria, and continuous feedback loops
- Administered Attendance, Leave management, and Payroll with full statutory compliance

Grievance Handling & Conflict Resolution

- Designed and implemented a formal grievance redressal mechanism as the company's first structured HR framework — all complaints acknowledged within 24 hours with defined resolution SLAs
- Investigated employee grievances impartially; maintained confidential case records and liaised with legal/compliance teams when required
- Conducted regular one-on-one and skip-level meetings to proactively surface concerns before escalation
- Reduced disciplinary incidents by 40% through transparent HR policy communication and consistent enforcement across all employee levels

Culture Building & Employee Engagement

- Built a values-driven culture in a growing engineering firm by introducing engagement activities, cross-functional team events, and peer recognition initiatives from the ground up
- Designed employee benefit packages that reflected the company's commitment to workforce wellbeing and retention
- Developed internal communication frameworks that kept all levels aligned with organisational vision, particularly during periods of rapid growth and change

Finance & Accounts

- Managed daily petty cash, vendor payments; operated Tally ERP and ODOO ERP
- Handled GST, TDS, PF compliance; accounts receivables/payables; subsidy and loan documentation
