PROFESSIONAL SUMMARY

Dedicated Perfusionist with 2 years of clinical experience in managing cardiopulmonary bypass for adult and pediatric cardiac surgeries. Experienced in CABG, emergency CABG, valve replacement surgeries (AVR, MVR), and complex procedures including Bentall surgery and left atrial myxoma excision. Skilled in pediatric perfusion for Tetralogy of Fallot (TOF), ASD, VSD, and AV canal defects. Proficient in hemodynamic monitoring, arterial blood gas analysis, and anticoagulation management, with strong ability to handle emergency and high-risk situations effectively.

PROFESSIONAL EXPERIENCE

CTVS Perfusionist

Iswarya Hospital

June 2023 to 2026 – Present Working

Performed and managed cardiopulmonary bypass (CPB) for adult and pediatric cardiac surgeries

Assisted in approximately 200+ cardiac surgical procedures, including elective and emergency cases

Provided perfusion support for coronary artery bypass grafting (CABG), including emergency CABG cases

Assisted in valve replacement surgeries including Aortic Valve Replacement (AVR) and Mitral Valve Replacement (MVR)

Gained hands-on experience in complex cardiac surgeries such as Bentall procedure and left atrial myxoma excision

Managed perfusion in pediatric cardiac cases including TOF, ASD, VSD, and AV canal defects

Monitored and maintained hemodynamic parameters, arterial blood gases (ABG), and anticoagulation (ACT levels)

Ensured effective myocardial protection and adequate tissue perfusion during surgeries

Operated and maintained heart-lung machine and perfusion equipment with high accuracy

Responded efficiently to intraoperative emergencies and critical situations

Maintained detailed perfusion records, intraoperative data, and postoperative documentation

Collaborated with cardiac surgeons, anesthesiologists, and operation theatre team

CLINICAL SKILLS

Cardiopulmonary Bypass (CPB)

Adult & Pediatric Perfusion

Hemodynamic Monitoring

Arterial Blood Gas (ABG) Analysis

Anticoagulation (ACT Management)

Myocardial Protection Techniques

Surgical Exposure

CABG & Emergency CABG

Valve Surgeries (AVR, MVR)

Bentall Procedure

Left Atrial Myxoma Excision

Pediatric Cardiac Surgeries (TOF, ASD, VSD, AV Canal)

TECHNICAL SKILLS

Heart-Lung Machine Operation

Perfusion Circuit Management

Blood Gas Analyzer

Hemoconcentrator Handling

PROFESSIONAL SKILLS

Critical Thinking & Decision Making

Emergency Management

Team Collaboration

Time Management

EDUCATION

B.Sc Perfusion Technology

[Sree Balaji Medical College and Hospital, Chennai]

[Bharath University]

[2023]

Vocational Higher Secondary – Agriculture Crop Health Management

[Mar Basil HSS & VHSS, Senapathy]

[2019]

SSLC

[Fathima Matha High School Chinnakanal, Kerala]

[State Board]

[2017]

INTERNSHIPS

Trainee Perfusionist

Dr.Rela Institute

Feb-2022 to Mar-2022

Trainee Perfusionist

Sree Balaji medical College and Hospital, Chennai

Mar-2022 to Feb-2023

QUALITIES

- Communication Skills
- Time Management
- Team Collaboration
- Adaptability
