PROJECTS

A study from a social work perspective on the attitudes of parents of children with mental disabilities towards their children.

From Dahod City's Blind Welfare Disabilities Trust

PROFILE

Dedicated and versatile Professional with a strong background in driving operational efficiency, managing stakeholder relationships, and executing structured workflows. Proven ability to balance administrative precision with field-level execution, ensuring projects are delivered on time and within compliance guidelines. Adept at collaborative problem-solving, data management, and adapting quickly to dynamic organizational needs in impact-driven environments

WORK EXPERIENCE

Resource Distribution

- Resource Distribution: Organized and executed grassroots donation drives to distribute essential supplies, including food, blankets, and clothing, to underprivileged families and marginalized communities.

Data Management

- Data Management: Maintained basic records of supplies received, expenses incurred, and the number of beneficiary families assisted to ensure transparency

Stakeholder Coordination

- Stakeholder Coordination: Collaborated with local vendors, donors, and fellow volunteers to gather resources and maximize the reach of each distribution drive.
