

ALFIYA S

Echocardiography Technician | Cardiac Care Technologist

Kollam, Kerala | alfiyasalim396@gmail.com | +91 7510548364 | <https://www.linkedin.com/in/alfiya-salim-72894233a>

PROFESSIONAL SUMMARY

Detail-oriented Cardiac Care Technology graduate with 1 year of internship experience in Echocardiography and Cath

Lab procedures. Skilled in Transthoracic Echocardiography (2D, M-mode, Color Doppler), ECG recording, LVEF

calculation, Simpson's method, and patient preparation. Hands-on exposure in Transesophageal Echo, Contrast

Echo, Coronary Interventions, and Pacemaker implantation. Seeking an Echocardiogram Technologist role to

contribute clinical expertise in cardiac diagnostics.

CORE COMPETENCIES

- Assisted in Transthoracic Echocardiography (2D, M-Mode, Color Doppler)
- Basic ECG Recording & Patient Preparation
- Assisted in LVEF Calculation (Simpson's Method) & Image Optimization
- Assisted in TEE, Contrast Echo & Basic Echo Documentation
- Excellent Communication
- Languages: English, Malayalam & Hindi

INTERNSHIP EXPERIENCE

Cardiology Intern Jan 2025 – Jan 2026

Sree Uthradam Thirunal Multi Super Speciality Hospital, Pattom, Trivandrum

Echocardiography (6 Months)

- Assisted in Transthoracic Echocardiography (2D, M-mode, Color Doppler)
 - Performed basic ECG recording and interpretation
 - Supported TEE and Contrast Echocardiography procedures
 - Calculated LVEF using Simpson's Method
 - Identified valvular, congenital, rheumatic heart diseases & RWMA
 - Handled ultrasound probe positioning and image optimization
 - Assisted in echo reporting and documentation
-

Cath Lab (6 Months)

- Assisted in radial and femoral coronary interventions
- Supported Temporary & Permanent Pacemaker implantation (TPI/PPI)
- Assisted in Pericardiocentesis procedures
- Assisted in Peripheral interventions

EDUCATION

BSc Cardiac Care Technology

Srinivas Institute of Allied Health Science, Mangalore 2026
