Finance & Accounts Professional | Taxation | GST | Tally | MIS Reporting
Vadodara, Gujarat – 391410 | +91 97140 00830 | nallusanju@gmail.com

PROFESSIONAL SUMMARY

Detail-oriented Finance & Accounts professional with 20+ years of progressive experience spanning MIS reporting, working capital management, statutory compliance, taxation (GST, VAT, TDS/TCS), trade finance, and audit coordination across manufacturing and engineering organizations. Proven track record of streamlining monthly financial reporting, strengthening internal controls, and managing end-to-end banking and forex operations. Skilled in Tally ERP and Microsoft Navision, with strong command of statutory filings, bank reconciliation, and accounts receivable/payable management. Known for accuracy, reliability, and the ability to coordinate effectively with auditors, bankers, and cross-functional teams to support organizational financial health.

CORE SKILLS

- **Financial Reporting & MIS** — monthly MIS, cash flow forecasting, financial statement preparation
- **Taxation & Compliance** — GST, VAT, TDS/TCS, Income Tax, statutory and stock audits
- **Working Capital & Trade Finance** — cash credit renewal, LC, bank guarantees, PCFC/EPC loans
- **Forex Management** — forex receivables/payables, hedging for import/export transactions
- **Accounts Receivable & Payable** — debtor/creditor reconciliation, ageing analysis, collections
- **Banking Operations** — bank reconciliation, CMA preparation, stock statement submission
- **Audit Coordination** — statutory audits, stock audits, bank auditor liaison
- **Insurance & Risk** — policy renewals, claims documentation and follow-up
- **Regulatory Reporting** — ECGC, RBI surveys (CMEI), NSSO returns, import/export declarations
- **Office Administration** — vendor coordination, statutory recordkeeping, documentation control

WORK EXPERIENCE

Standard Radiators Pvt. Ltd. | Vadodara

Assistant Manager – Finance & Accounts

January 2026 – Present

- Deliver provisional monthly MIS and line-wise costing reports to support management decision-making.
- Drive working capital renewal processes and prepare stock statements and customer profitability analysis for senior leadership.
- Manage end-to-end insurance and claims processing, including LC, bank guarantee, and forex transactions.
- Lead coordination of statutory and stock audits and maintain ECGC compliance and financial reporting accuracy.
- Oversee accounts receivable and payable functions, including ageing analysis, to maintain healthy cash flow.

Narayan Energy Solutions Pvt. Ltd. | Vadodara

Manager – Accounts

August 2025 – January 2026

- Produced provisional monthly MIS, cash flow statements, and forex receivable/payable tracking reports for management review.
- Executed forex hedging strategies and applied GST/TDS regulatory knowledge to ensure full compliance.
- Supported statutory audits and conducted bank, vendor, and customer reconciliations to maintain accurate books.
- Conducted monthly physical stock audits to verify inventory accuracy and minimize discrepancies.

Standard Radiators Pvt. Ltd. | Vadodara

Assistant Manager – Finance & Accounts

September 2014 – August 2025

Accounts

- Prepared prospective cash flow projections and monthly MIS reports for senior management review.
- Finalized financial statements and coordinated year-end closing with statutory auditors.
- Approved vendor payments and managed debtor/creditor reconciliation to maintain accurate ledgers.
- Applied in-depth knowledge of GST, VAT, Income Tax, and TDS/TCS regulations, including forex hedging for import payments.
- Administered PCFC and EPC working capital loans and ensured timely statutory payment compliance.
- Monitored WIP and finished goods inventory and prepared production-versus-sales performance reports.

Banking

- Secured timely renewal of cash credit facilities, optimizing the organization's use of working capital.
- Prepared letters of credit, bank guarantees, and complete import/export documentation packages.
- Compiled BRC for export payments and submitted QIS, EBID, book debt, and stock statements to banking partners.
- Coordinated stock audits with bank auditors and prepared projected CMA data to support working capital renewal.

Insurance & Compliance

- Managed renewal of multiple insurance policies and led claim documentation through to resolution.
- Filed monthly import/export and domestic sales declarations, including capex and employee declarations.

Additional Responsibilities

- Maintained ECGC renewal and compliance, and submitted Industrial Outlook Survey, CMEI-RBI, and NSSO returns.
- Safeguarded property documentation and maintained demat share and mutual fund records, including capital gains/loss tracking.
- Managed personal income tax filings and investment portfolio administration.
