-

Professional Experience

Health Records Manager

NHS Scotland – Shetland | Sep 2023 – August 2026

- Lead all operations of Health Records and reception/ward clerical teams across two hospitals.
- Directed the board-wide shift from paper-heavy to paper-light systems, in line with eHealth strategies.
- Managed digital transformation initiatives, including Scanning Project and M365 rollout.
- Oversaw TrakCare scheduling setup and ensured booking accuracy for compliance reporting.
- Authored and implemented SOPs for overseas income, ensuring board revenue protection.
- Led recruitment, training, and performance review processes.
- Provided legal-compliant advice on record access and patient data confidentiality.

MDM Coordinator / Cancer Tracker

NHS Scotland – Lothian | Mar 2023 – Sep 2023

- Coordinated MDT meetings and tracked cancer referrals to maintain pathway efficiency.
- Liaised across departments and health boards for patient journey facilitation.
- Produced audit data for cancer pathway monitoring and escalation management.

Waiting List Coordinator

NHS Scotland – Lothian | Sep 2022 – Mar 2023

- Acted as liaison between consultants and patients, with emphasis on cancer-related cases.
- Minimized DNAs by providing clear appointment information and follow-up.
- Trained new staff to effectively manage patient flows and documentation.

Band 3 HCSW (Non-Registered Nurse)

NHS Scotland – HMP Edinburgh | Apr 2022 – Sep 2022

- Provided primary care support in prison healthcare including medication management and patient monitoring.
- Maintained accurate records and facilitated communication between inmates and healthcare professionals.

Band 3 Vaccinator

NHS Scotland – Fife | May 2021 – Aug 2021

- Delivered COVID-19 vaccines, ensuring hygiene and minimal discomfort during procedures.

Public Engagement Group Member

Chief Scientist Office | Dec 2022 – Dec 2023

- Reviewed research reports and submitted feedback to enhance public accessibility of health research.

Peer Support Volunteer & Alumni Ambassador

University of Dundee | May 2021 – Present

- Supported international students with emotional and academic integration.
- Provided accurate institutional and cultural guidance for new MPH entrants.

Project Manager

Government of Gujarat, India | Oct 2019 – Oct 2020

- Managed 750+ staff for implementation of government projects and public services.
- Ensured project compliance, community outreach, and real-time performance analysis.

Communication Manager

Women Planet Foundation, India | Dec 2016 – Jul 2019

- Led outreach and awareness programs focusing on women's health and hygiene.
- Facilitated stakeholder collaboration and corporate funding acquisition.

Coordinator

MS Anchors, India | May 2014 – May 2016

- Organized public health awareness programs and managed financial reporting.
-
