PROFESSIONAL SUMMARY

Medical Officer / General Physician with one year of full-time clinical experience at **Community Health Centre (CHC), Padra, Vadodara**, providing comprehensive care across outpatient, inpatient, emergency, trauma and medicolegal services in a government community-health setting. Experienced in high-volume patient management, triage, emergency stabilization, wound care, normal vaginal deliveries, minor procedures and multidisciplinary coordination. During the **Gambhira Bridge collapse**, actively participated in emergency triage and management of trauma casualties. Gold Medalist in MBBS with additional clinical exposure in Internal Medicine, Respiratory Medicine, Nephrology and Infectious Diseases in the United States.

PROFESSIONAL EXPERIENCE

Medical Officer / General Physician — Community Health Centre (CHC), Padra, Vadodara, Gujarat

6 January 2025 – 10 January 2026

- **High-volume clinical practice:** Managed outpatient and inpatient services in a government community-health centre, independently assessing and treating a broad range of routine and acute medical presentations.
- **Emergency & trauma care:** Evaluated and stabilized emergency patients, provided initial trauma care, wound management and suturing, and coordinated further management when escalation or referral was required.
- **Mass-casualty response — Gambhira Bridge collapse:** Participated in the emergency response and **triage of casualties**, prioritizing patients according to clinical urgency, coordinating rapid assessment and facilitating appropriate emergency management and referral.
- **Obstetric care:** Conducted and assisted in normal vaginal deliveries and provided peri-partum clinical care.
- **Procedural skills:** Performed suturing, wound management and assisted with minor surgical procedures.
- **Medicolegal responsibilities:** Managed medicolegal cases and associated clinical responsibilities.
- **Team-based care:** Monitored critically ill and routine patients and collaborated with medical and nursing teams to ensure continuity of care.
- **Community health responsibilities:** Organized and coordinated blood donation camps and contributed to community-oriented healthcare activities.

Clinical workload (2025–26): 11,549 OPD patients | 2,741 IPD patients | 246 MLC cases | 174 procedures | 426 deliveries | 22 other recorded clinical/emergency activities | 1,914 night/emergency duties.
