📍 A-18 Arya Elis, Bill road, atladra, vadodara

SUMMARY

Final-year Biotechnology student aiming to secure a professional laboratory position. Offering proven skills in molecular techniques, tissue processing, and blood collection. Focused on delivering reliable results while adhering to rigorous safety and quality control protocols.

WORK EXPERIENCE

Intern

05/2025 - 06/2025

HCG Cancer Hospital Laboratory

Sun Pharma road

- Completed a clinical internship at HCG Cancer Centre, gaining hands-on experience in microbiology and oncology diagnostics. I developed technical proficiency in performing Gram staining for bacterial identification and mastered blood collection techniques through venipuncture and sample management. Working within a specialized cancer hospital, I gained vital insights into monitoring immunocompromised patients and maintaining strict aseptic protocols to ensure diagnostic accuracy in a high-pressure clinical environment.

EDUCATION & CREDENTIALS

Parul University
Diploma in Biotechnology
6.30

TECHNICAL SKILLS

laboratory techniques, microbial culture, gram staining, DNA sequence, Plant tissue culture, Blood collection, Biohazard safety
