- Malayalam
- Hindi
- Tamil

PROFESSIONAL SUMMARY

Dedicated Clinical Perfusionist with over 5 years of professional experience in adult, pediatric, and neonatal cardiopulmonary bypass surgeries. Adept at managing critical mechanical support techniques including femoral bypass, IABP management, total circulatory arrest, and selective cerebral perfusion while maintaining an outstanding track record of patient safety and student mentorship.

WORK EXPERIENCE

Senior Perfusionist Apr 2024 – Mar 2026

G. Kuppuswamy Naidu Memorial Hospital (GKNMH), Coimbatore

- Performed more than 200 cases, including both adult and pediatric cardiopulmonary bypass procedures under GKNMH.
- Managed complex cases utilizing femoral bypass and Intra-Aortic Balloon Pump (IABP) support protocols.

Clinical Perfusionist Aug 2020 – Feb 2024

Sri Sathya Sai Institute of Higher Medical Sciences, Bangalore

- Conducted over 500 cardiopulmonary bypass cases spanning adult, pediatric, and neonatal patients.
- Managed high-acuity cases involving femoro-femoral bypass, total circulatory arrest, and selective cerebral perfusion.
- Actively involved in training, teaching, and supervising B.Sc. Perfusion Technology students at SSSIHMS.
- Attended professional development and industry updates at the perfusion conference conducted by ISECT.

Intern Perfusionist Feb 2020 – Jul 2020

Sri Sathya Sai Institute of Higher Medical Sciences, Bangalore

- Completed clinical internship protocols, assisting in routine CPB procedures and gaining foundational exposure to various perfusion techniques.

EDUCATION

B.Sc. Perfusion Technology 2016 – 2020

Sri Sathya Sai Institute of Higher Medical Sciences, Bangalore

Higher Secondary (CBSE) Passed 2016
