

DR. GUNJAN DAMOR (PT)

PHYSIOTHERAPIST

9512683800 | gunjan9824@gmail.com

PROFESSIONAL SUMMARY

Dedicated and compassionate Physiotherapist with clinical experience across hospital, women's health, and pediatric rehabilitation settings. Skilled in patient assessment, treatment planning, therapeutic exercise, pain management, functional rehabilitation, patient education, and clinical documentation. Comfortable working with children and adults and committed to delivering safe, patient-centred care.

PROFESSIONAL EXPERIENCE

Samvedan Child Development Center | Physiotherapist

03 Mar 2025 – 30 Jan 2026

- Provided physiotherapy assessment and rehabilitation for pediatric patients.
- Planned individualized therapy goals and treatment activities according to functional needs.
- Worked on mobility, balance, strength, coordination, posture, and functional skills.
- Communicated with parents/caregivers regarding home programs and progress.

AMI Physiocare & Women Health | Physiotherapist

01 May 2024 – 31 Jan 2025

- Performed physiotherapy assessment and treatment for musculoskeletal and women's health conditions.
- Used therapeutic exercise, pain-management strategies, mobility training, and patient education.
- Monitored patient response and documented treatment progress.

Parul Sevashram Hospital | Physiotherapy Clinical Experience

01 Jul 2023 – 01 Apr 2024

- Gained clinical exposure to hospital-based physiotherapy assessment and rehabilitation.
- Assisted with exercise therapy, mobility training, pain management, and functional rehabilitation.
- Worked collaboratively with patients and the healthcare team.
