SUMMARY

Results-driven Human Resources professional with 13+ years of comprehensive experience spanning workforce development, employee wellness, and organizational leadership. As a certified HR practitioner with doctoral-level expertise, I excel at implementing strategic talent management solutions that drive organizational success. Demonstrated excellence in designing and delivering corporate wellness programs, including stress management training for 600+ TATA employees, resulting in measurable improvements in workforce productivity and satisfaction. Proven ability to conduct in-depth workplace analysis through completion of 6 funded research projects. Strong stakeholder management capabilities evidenced by service on multiple institutional boards and recognition from government authorities. Adept at translating research insights into practical HR policies that enhance organizational performance while prioritizing employee wellbeing.
