PROFESSIONAL SUMMARY

Dedicated and results-driven physiotherapy professional with robust clinical experience across outpatient and inpatient care settings. Skilled in musculoskeletal, neurological, post-operative, and sports injury rehabilitation with a patient-centered, evidence-based approach. Proficient in manual therapy, functional training, and interdisciplinary collaboration. Seeking to apply clinical expertise in a dynamic setting that values rehabilitation excellence and comprehensive patient care.

CLINICAL EXPERIENCE

Clinical Physiotherapist

Spinex Global, Surat

April 2022 – January 2023

- Delivered individualized physiotherapy care for orthopedic and neurological conditions.
- Treated a wide range of **sports-related injuries** including ligament sprains, meniscal tears, and overuse injuries.
- Designed sport-specific rehabilitation programs to aid return-to-sport performance.

Intern Physiotherapist

New Civil Hospital, Surat

October 2021 – April 2022

- Rotational postings in Orthopedics, Neurology, Cardiopulmonary, Pediatrics, Neurosurgery, General Surgery, and ICUs.
- Gained hands-on experience in acute injury care, post-surgical rehab, pediatric therapy, and ICU mobilization.
- Supported the rehabilitation of athletes and physically active individuals in the orthopedic and trauma units.

Postgraduate Clinical Training (MPT – Rehabilitation Sciences)

Government Physiotherapy College, New Civil Hospital, Surat

May 2023 – April 2025

- Comprehensive exposure in:

- **Neurology & Neurosurgery:** Stroke, TBI, SCI
- **Orthopaedics & Trauma Care:** Post-fracture rehab, joint replacements, sports injuries
- **Cardiopulmonary Rehabilitation:** Post-CABG, ICU care
- **Pediatrics & Neonatal Care:** Developmental delay, CP, postnatal rehab
- **Sports Physiotherapy:** Return-to-play protocols, ligament rehab, conditioning programs
- Independently managed OPD/IPD patient cases and collaborated within interdisciplinary teams.
