CAREER OBJECTIVE

To secure a challenging administrative and operational role in a reputed organization where I can leverage over 20 years of experience, proven competencies, and diverse skills to streamline processes, drive efficiency, and contribute to the achievement of organizational goals.

PROFESSIONAL EXPERIENCE

Executive - Housekeeping

September 2016 – Till date

BHAIKAKA UNIVERSITY (Erstwhile Shree Krishna Hospital), Karamsad, Anand, Gujarat

- Directed overall departmental processes and activities, ensuring smooth and efficient operations.
- Spearheaded planning and execution of major institutional events, serving as the Key Official-in-Charge for complete facility management.
- Led and managed a large functional team of 400+ outsourced staff across housekeeping, patient care, hospitality services, and other operational domains.
- Collaborated closely with the General Manager (P&A) on daily operations to drive efficiency and service excellence.
- Oversaw incinerator plant operations and maintained comprehensive MIS reports for compliance and monitoring.
- Recruited, trained, and mentored staff to enhance performance and service delivery standards.
- Conducted periodic sensitization and training programs for staff to improve quality, compliance, and patient satisfaction.
- Reviewed and audited bills for outsourced staff payments, ensuring accuracy and cost control.
- Planned and monitored the annual budget for the Housekeeping Department.
- Managed Annual Maintenance Contracts (AMC) for critical machinery and equipment.
- Played a pivotal role in securing NABH accreditation, Nursing Excellence recognition, and Kaya Kalp Certification for the hospital.

Coordinator – Personnel & Administration

December 2009 – August 2016

SHREE KRISHNA HOSPITAL, Karamsad, Gujarat

- Managed payroll and timekeeping for 1,750+ employees across all institutes of Charutar Arogya Mandal (Hospital, College, Residents, and Consultants).
- Oversaw leave administration and payroll management, ensuring accuracy and compliance for employees organization-wide.
- Generated attendance and workforce reports on a daily, weekly, monthly, and annual basis to support management decision-making.
- Conducted self-audits of salary records prior to submission, and supported auditors during internal audit processes.
- Administered biometric attendance system, including card activation/deactivation for new joiners and separations, and maintained duty lists for payroll input.
- Addressed employee queries related to leaves, duties, shift scheduling, and payroll issues, ensuring smooth HR operations.
- Supervised pest control operations and monitored campus-wide garden maintenance for estate management.
- Handled estate, land, and revenue matters with government authorities, ensuring proper compliance and documentation.
