CLINICAL CARDIAC PERFUSIONIST

- Highly accomplished Chief Clinical Perfusionist with over 20 years of distinguished experience, possessing hands-on expertise in the management of cardiopulmonary bypass, ECMO therapy, and perfusion-related critical care, with a proven track record of developing and implementing evidence-based perfusion protocols to optimize patient outcomes.
- Providing visionary leadership in driving perfusion service excellence, ensuring seamless integration of clinical, educational, and research initiatives to advance patient care, education, and research in perfusion technology.

CORE COMPETENCIES

Leadership and Governance

- Board of Directors, Board of Cardiovascular perfusion-India Trust.
- Examination Convener, Examiner, and Paper Setter for Master's programs in Perfusion Science (Bhaikaka University, Karamsad).
- Experienced educator and researcher in perfusion science (Smt. L P Patel Medical Laboratory Technology College).
- Examiner and Paper Setter Sardar Patel University, Vidhyanagar.

CORE COMPETENCIES

Clinical Perfusion Expertise

- Excellence in CVTS perfusion science and adult/pediatric cardiac surgery perfusion procedures (B & M Patel Cardiac Centre, Shree Krishna Hospital).
- Congenital heart surgery perfusion procedures.
- Mechanical circulatory support and ECMO management.

Research and Quality Assurance

- Researcher in perfusion science with a focus on improving patient outcomes
- Experienced IQAC member, ensuring quality assurance in higher education (Bhaikaka University, Karamsad)

Medical Advisory and Patient Care

- Expertise in medical advisory and pre-assessment of patients for perfusion procedures.
- Strong focus on delivering high-quality patient care and optimizing patient outcomes.

PROFILE SUMMARY

- A seasoned and accomplished Chief Clinical Perfusionist offering 20+ years of experience in delivering exceptional perfusion care and driving clinical excellence in cardiovascular surgery.
- Highly skilled in conducting complex perfusion procedures, including adult and pediatric cardiac surgeries, ECMO management, and mechanical circulatory support .

- Expertise in developing and implementing evidence-based perfusion protocols, ensuring optimal patient outcomes and advancing the field of perfusion science.
- Proven leadership experience in guiding perfusion teams, establishing quality assurance processes, and driving continuous improvement initiatives.
- Extensive knowledge of perfusion science, cardiovascular physiology, and clinical research, with a strong focus on staying up-to-date with the latest advancements in the field.
- A strategic leader with proficiency in streamlining clinical processes, defining quality metrics, and driving excellence in perfusion care.
- Dedicated educator and researcher, with experience in developing and teaching perfusion education programs and contributing to research initiatives that advance the field of perfusion science.

CURRENT POSITION AND ORGANIZATION

- **2011-Till Date --- Chief Clinical perfusionist---** At B&M patel cardiac centre,Shree Krishna Hospital,Bhaikaka University,Karamsad,Anand.
- **2019 - Till Date --- Assistant professor At BHAIKAKA UNIVERSITY** karamsad Anand.
- **2020 - Till Date --- Elected As A BOARD OF DIRECTORS IN** Board of Cardiovascular Perfusion-India trust.(<https://www.bcp-i.com/our-team>).

ORGANIZATIONAL EXPERIENCE

- **2015-2019 --- Visiting lecturer** in smt L P Patel institute of medical laboratory technology, karamsad, charutar ayogya mandal. (Academic appointment along with clinical perfusionist position in same current BMPCC SKH BKU) .
- **JULY 2010 - JULY 2011 --- Consultant Perfusionist**, Shree Mahavir Health and Medical Relief Society, Shri B.D.Mehta Mahavir Heart Institute, Surat.
- **JULY 2007-JULY 2010 --- Trainee Perfusionist**, U.N.Mehta institute and cardiac research centre, Ahmadabad.
- **JUNE 2005 - JULY 2007 ---- As a observer perfusionist** at U.N.Mehta institute and cardiac research centre,Ahemdabad.(parallel to B.Sc).

ACADEMIC

- **2019-2020 --- Fellowship in ECMO specialist** under The Simulation Society & international society of cardiovascular ultrasound affiliated with Delhi Medical counsel.
- **2013-2015 --- MSc in perfusion Science** , First class, Sardar Patel University with equivalent Perfusionist job.
- **2007-2010 --- PG perfusion technology training As a Trainee Perfusionist**, U.N.Mehta institute and cardiac research centre, Ahmadabad.
- **2004-2006 --- B.Sc in physics**, Second class, Gujarat University.

Other Academic Responsibility

- I have been invited for to act as External Board of theory and practical **examiner** (as paper setter and check in university examination) in M.SC MT- Perfusion Technology which was commence on 22nd November 2019, sardar Patel University.
- Selected as a **member of Institutional quality assurance committee (IQAC)** in Bhaikaka university, charutar ayogya mandal, karamsad, Anand Gujarat from 2019-2021
- I have been invited for External University Exam as a **convener as well as theory papers setter and practical examiner** for master's perfusion programme At BHAIKAKA UNIVERSITY in 2022.

National /International conference and CME

- 9th annual conference of Indian society of extracorporeal technology, ISECT CON 2009 Ahmadabad.
- 2nd national ECLS conference conducted in collaboration with Indian society of extracorporeal technology (ISECT), Indian association of cardiovascular thoracic anesthesiologists (IACTA), and Lillehei heart institute, university of Minnesota USA, 2011, held at narayana hrudayalaya, Bangalore.
- 12th annual conference of Indian society of extracorporeal technology, ISECT CON 2012 Kolkata.
- Indian association of cardiovascular & thoracic Surgeons Techno College CME hosted by Gujarat Cardiothoracic Surgeons' Club, 2012.

- Perfusion CME conducted in collaboration of GMC Cardiothoracic and vascular research society, 2013, Nadiad.
- 14th annual conference of Indian society of extracorporeal technology, ISECT CON 2014 Trivandrum.
- 8th annual conference of Ecmo Society of India ,conducted on 28-29 October 2017,by the department of ECMO/Pediatric/critical Care ,Krishna institute of medical science Ltd., secunderabad.this event has been awarded 4CME credit points by the telangana State medical council (TSMC/CME/475/2017).
- 20th ECMO National workshop Conference on pulmonary disease 2018(NAPCON).
- JOINT INTERNATIONAL CONFERENCE 2018 AHMEDABAD ON ECMO & MCS CONCLAVE HELD ON JANUARY 5-7,2018 SUPPORTED BY CARE INSTITUTE MEDICAL SOCIETY FOR RESEARCH AND EDUCATION , GRANTED BY GUJARAT MEDICAL COUNCIL.
- 18th Annual conference of Indian society of extracorporeal technology ISECTCON -2018 visakhapatnam held on 2-3 Feb, 2018.
- 19th Annual conference of pediatric cardiac society of India (PCSI) held on 15-16 September, 2018 @ U. N. MEHTA INSTITUTE OF CARDIOLOGY & RESEARCH CENTER, AHMEDABAD.
- 19th Annual conference of Indian society of extracorporeal technology ISECTCON 2019,mahabalipuram,chennai.
- 20th Annual conference of Indian society of extracorporeal technology ISECTCON 2020,Ahemdaba,Gujarat.
- 22 nd Annual conference of Indian society of extracorporeal

technology ISECTCON 2022, Jaipur Rajasthan.

- 25th silver jubilee Annual conference of Indian society of extracorporeal technology ISECTCON 2025, Yashobhoomi Dwarka, New Delhi.

POSTERS/ORAL PAPERS PRESENTATIONS

POSTERS PRESENTATIONS ISECTCON FEB2020, Ahmedabad

- "Impact of Colloid Priming Solutions on Organ Function and Inflammation in Neonates and Infants with Congenital Heart Disease": This study investigated the effects of two different colloid priming solutions on multiple organ function and systemic inflammatory response in neonates and infants undergoing cardiopulmonary bypass for congenital heart disease.
- "Assessment of Right Ventricular Performance in Post-Operative Congenital Heart Disease using Doppler Tissue Imaging and Cardiopulmonary Bypass Indices": This study evaluated the utility of Doppler tissue imaging and cardiopulmonary bypass indices in assessing right ventricular performance in patients with post-operative congenital heart disease.

Online live webinar

- Attended a series of online webinars organized by the World University for Pediatric and Congenital Heart Surgery, Quebec, Canada, focusing on the latest advancements and best practices in pediatric and congenital heart surgery.

TOPICS COVERED:

1. Functionally Univentricular Heart 1 - Stage 1 Palliation-29th march'25.

2. Pericardial Disease in Children-21st Dec '24.
 3. Double Outlet Ventricles - Part 2 DORV2- 16th November '24.
 4. Double Outlet Ventricles - Part 2 DORV1 - 19th October '24.
 5. Congenitally Corrected Transposition of the Great Arteries and Atrioventricular Discordance Part 2 ccp TGA 2 - 17th August '24.
 6. Pulmonary Atresia, Intact Ventricular Septum PA-IVS- 14th Oct'23.
 7. Vascular Rings and Slings - 22nd JULY '23.
 8. Critical Care for Pediatric and Congenital Heart Surgery 2-24th JUNE '23.
 9. Critical Care for Pediatric and Congenital Heart Surgery 1-20th may '23.
 10. Cerebral Protection-29th April '23.
 11. Myocardial Protection- 25th March '23.
-
- Featured topics in Tetralogy of fallot joint meeting congenital heart academy and Saudi Heart association, 23rd July 2020.
 - Myocardial protection and Resulting post bypass blood conservation, sponsored by Essential Pharmaceutical online, In accordance with the recertification program of American board of cardiovascular perfusion, 12th august 2020.

RESEARCH EXPERIENCE

As a co Author and dedicated researcher, I have actively contributed to various studies and projects aimed at advancing the field of perfusion science and pediatric cardiology. My research endeavors have focused on exploring innovative solutions, improving patient outcomes, and enhancing the quality of care in cardiac surgery.

- **NOTABLE RESEARCH PROJECTS :**

1. My master's Dissertation and research: "Impact of two different colloid priming of cardiopulmonary bypass in neonates and infants on multiple organ function and Systemic inflammatory response". Conducted with approval of Institutional Ethical committee.
2. Intra-operative and post-operative blood lactate level as a predictor of post-operative clinical outcomes in adult cardiac surgery.
3. To evaluate the FFP in pump priming in pediatric cardiac surgery undergoing cardiopulmonary bypass.
4. Effect of modified ultrafiltration on pulmonary function after cardiopulmonary bypass in infants.

- **Published research articles in peer-reviewed journals:**

1. Comparative Analysis Between Ringer Lactate Versus Plasmalyte - A As Cardiopulmonary Bypass Priming Solutions & Its Outcomes In Paediatric Patients.(Research Journal of Pharmaceutical, Biological and Chemical Sciences):ISSN: 0975-8585(<https://doi.org/10.33887/rjpbcs/2023.14.3.40>).

2. Evaluation of right ventricular performance in patients with postoperative congenital heart disease using Doppler tissue imaging and cardiopulmonary bypass indices: A prospective cohort study(Wiley publication):(https://pmc.ncbi.nlm.nih.gov/articles/PMC9617649/).
3. Published Cover Image of same above topic for Wiley international journal online volume 5,issue 6;https://doi.org/10.1002/hsr2.909.
4. Evaluation of Integrated Arterial Filter Oxygenator vs. External Arterial Filters on Clinical Outcomes and Neurocognitive Function in Pediatric Cardiac Surgery: A prospective randomized controlled trial (RCT).(Wiley publication)HSR-2024-03-0681.R3.

Research Good Clinical Practice training certificate

I have completed GCP training meeting " Minimum criteria for ICH E6 GCP investigator site personnel Training, " identified by transcelerate biopharma, Inc., entitled on 4th August 2020 .(valid for two years).

ACHIEVEMENT AWARD

Certificate of Excellence

Recipient of the Certificate of Excellence, awarded by Dean of charutar arogya mandal on July 23, 2015, in recognition of outstanding academic performance, achieving First Rank in the Master of Science program in Medical Technology, specializing in Perfusion Technology.

PROFESSIONAL AFFILIATION

- Indian Society of Extracorporeal Technology - 2008 to present, Life membership number -LM 973
- ECMO Society of India – 2011 to present.
- The simulation society -2019, Life membership number TSS2019505

PERSONAL INFORMATION

DATE OF BIRTH: 1st October 1985

LANGUAGE KNOWN: GUJARATI,ENGLISH,HINDI

Address: Permanent – A-12/Shivanand Park,Opp, Jaimini Park, Indira Gandhi Marg,Nadiad – 387002

Present Adresse – Block D-2 /17,Doctor's quarters,Shree Krishna hospital Campus,Gokal nagar,karamsad,Anand 388325.
