CAREER OBJECTIVES

I am a highly motivated and recently graduated medical doctor seeking a challenging and rewarding opportunity.

Eager to apply acquired medical knowledge and skills to provide compassionate patient care.

To develop and refine my clinical skill while contributing to the care of patient in fast paced and high-pressure environment. Dedicated to continuous learning and professional development within a collaborative environment.

To enhance my understanding of medical diagnosis and treatment planning while participating in research and academic activities. To possess strong communication and interpersonal skills, fostering effective teamwork.

Driven to contribute positively to a healthcare setting and make a meaningful impact on patients' lives.

WORK HISOTORY

PARUL SEVASHRAM HOSPITAL (FEB'24 – FEB'25)

- Work Experience: 1 year of internship at Parul Sevashram Hospital.
- Supported staff members in their daily tasks, reducing workload burden and allowing for increased focus on higher-priority clinical skills.
- Gained valuable experience working within wards, applying learned concepts directly into relevant work situations.
- Majorly focused on analyzing problems and working with residents to develop solutions.
- Contributed to a positive team environment by collaborating with fellow interns in wards and ICU.
- **Medical officer at CHC Vadu** (As a part of community medicine posting), handled OPD, managed emergencies, implemented national immunization program, assisted in several procedures and learnt how to handle medico legal cases.

PAPER PUBLICATIONS

Paper publication in “International Journal of Anatomy, Radiology and Surgery” (IJARS)
