PROFESSIONAL EXPERIENCE

Junior Biomedical Engineer

Bankers Group of Hospitals April 2023 - May 2023

- Being this as my first internship, I gained hands - on experience with managing healthcare assets, ensuring the equipments being well maintained, and interacting with patients by providing them assurance with medical technologies.
- I also inculcated crisis management, and strengthened my knowledge regarding biomedical engineering.

Biomedical Engineer - Inventory Manager

Parul Sevashram Hospital December 2023 - March 2024

- I learned the fundamentals of technologies and machines used for the patient, and built trust by engaging with them and providing real time solutions.
- Furthermore, it added the experience of various situations that shaped my expertise towards my field of work.

Customer Support Executive

Maxicus August 2024 - Present

- Working as a support executive taught me how to communicate with people and understand their wants, needs and views.
- This also enhanced my ability to present my ideas, accept my feedbacks, being confident with myself and introspect in every behaviour.
