

DR. Yesha Aviraj Shah

ICU Registrar

PROFILE SUMMARY

Experienced ICU Registrar and Consultant with a diverse background in tropical diseases, critical care, and COVID-19 management. Skilled in handling Medicine ICU and catering to post-operative and critical patients. Seeking opportunities to further expertise in General Medicine and expand proficiency in ECG and Chest X-ray interpretation. Proven track record as a Consulting Physician adept at managing patients during monsoon seasons and capable of basic treatments. Solid experience as a Resident Medical Officer and House Officer, complemented by a comprehensive internship in various medical departments. Eager to contribute effectively to a new medical organization.

am looking forward for opportunities to enhance my experience in GENERAL MEDICINE department as well as Medicine ICU.

General Physician
Shreeji Hospital, Adajan, Surat.

I am currently working as consulting physician at Shreeji Hospital, Surat which is a private setup. I look into patients regarding monsoon season as well as common symptoms. I can read ECGs and Chest X-rays specifically and provide basic treatment as setup is basic and does not have ICU. I would like relocate as per my resume and if job permits. I have thoroughly worked in ICU and emergency department from March 2019 to February 2021.

Mar 2019 - Feb 2021

Resident Medical Officer
K.B. Bhabha Municipal General Hospital
I initially started working as ward RMO in medicine department in Cooper Municipal General Hospital, Juhu, Mumbai Then I started Working as medicine ICU RMO in K.B.Bhabha Hospital, Bandra, Mumbai Currently I am working as a physician in Shreeji Hospital, Surat, Gujarat

Aug 2018 - Jan 2019

House Officer
Cooper Hospital
I have worked in cooper hospital vile parle handling in patient department and out patient department in medicine

Sep 2016 - Sep 2017

Intern
Dhiraj General Hospital
I have completed one year of rotational internship as a part of my MBBS training after successfully passing MBBS in August 2016. I have worked in all departments as was required and allocated to me.
