

AKASH SONI

18, Laxmiwadi nagar society, Bamroli road, Godhra, Gujarat –
389001 · 7600395884
sonisam175@gmail.com

To become a successful professional in the field of Biology and to work in an innovative and competitive world which will help me to explore myself fully and realize my potential. Willing to work as a key player in challenging & creative environment. Energetic self-starter and team builder able to navigate high-stress situation and achieve goals on time. Certified **NABL (ISO15189:2022)**-trained technician with expertise in maintaining high standards of laboratory practices, ensuring precision and compliance with national accreditation requirements.

SKILLS

- Knowledge of Pathology Laboratory operating procedures.
- Blood and Urine slide microscopy.
- Good Inter personal skill and hard working.
- Good communication ability.
- Well versed with MS Office (Word, Excel, Power point, Publisher)
- Broad understanding of laboratory equipment operation and maintenance.
- Blood Collection.
- Certified NABL Technician.
- Willingness to learn new things.
- Positive Attitude.
- Window & internet application

EQUIPMENT PROFICIENCY

- Siemens Backman Coulter
- Hemax 530 (5 part cell counter)
- Cobas E411 (Immunoassay) analyzer
- Fujifilm NX500 (Dry chemistry analyzer)
- Daitek (Fully automated Biochemistry) analyzer
- CBS-500 Electrolytes
- Helena Coagulometer
- Mispa i2 & Mispa i3 (Nephelometry and immuno-turbidometry technology)
- SQA-iO (Automated Sperm quality analyzer)
- Abbott Architect ci4100 & i2000
- Vitros 4600 (Dry Chemistry Analyzer)
- DaiSorin Liaison (Immunoassay) analyzer
- Mini Vidas (Hormone analyzer)
- Opti-CCA Blood gas analyzer
- Stago Satellite Max (Fully automated coagulation analyzer)
- BIO-RAD D-10 (HBA1C analyzer)
- Cobas U411 (Urine Analyzer)
- RX-50 (Semi auto biochemistry analyzer)

EXPERIENCE

June 2 2025 – Present

QA/QC Executive

Unipath Speciality Laboratory Limited, Ahmedabad.

Responsibility:

- Conduct internal audits routine process audit or any special audit in the lab as sought by the management to verify that this system process is an outcomes comply with the applicable guideline and regulation and lucid management requirement.
- To answer all QA documents files and records are up to date responsible for accreditation approval and recognition seeking processes.
- Prepare early audit plan and answer audits are conducted as per the plan.
- Control and issue forms log books sops and documents for external origin to the lab.
- Maintainer master document for validations verifications carried out.
- Review quality indicator logs and IQC summary SOP master list etc. complain data and generate the graphics.

February 20 2025 – May 27 2025

Laboratory Technician – Pathology (immunology Department)

Sterling Accuris wellness private limited., Ahmedabad

Responsibilities:

- Process Immunology, Biochemistry sample daily, including manual reporting and quality reviews.
- Analyzed findings, investigated atypical finding and correctly recorded and reported.
- Perform QC and Calibration and maintain record.
- Errors/difficulties solving in machine at my best level.
- Support and encourage team members with continuous improvements within the laboratory, maximizing team efficiency.
- Coordinate with doctors for patient's reports

September 30 2022 – January 20 2025

Laboratory Technician – Pathology (Hematology Department)
Kusum Dhirajlal (KD) Hospital, Ahmedabad-382421

Responsibilities:

- Process Hematology, Biochemistry sample daily, including manual reporting and quality reviews.
- Conduct lab tests in the area of hematology, biochemistry, clinical pathology, immuno-hormone assay and coagulation.
- Analyzed findings, investigated atypical finding and correctly recorded and reported.
- Perform QC and Calibration and maintain record.
- Errors/difficulties solving in machine at my best level.
- Support and encourage team members with continuous improvements within the laboratory, maximizing team efficiency.
- Coordinate with doctors for patient's reports.
- Preparing documentation for POCT devices.

November 25 2021 – September 30 2022

Medical Laboratory Technician
Shilp Pathology Laboratory, Wadaj, Ahmedabad-380013

Responsibilities:

- Collection of blood sample.
- Process Hematology, Biochemistry sample daily, including manual reporting and quality reviews.
- Conduct lab tests in the area of hematology, biochemistry, clinical pathology, immuno-hormone assay and coagulation.
- Analyzed findings, investigated atypical finding and correctly recorded and reported.
- Perform QC and Calibration and maintain record.
- Errors/difficulties solving in machine at my best level.
- Support and encourage team members with continuous improvements within the laboratory, maximizing team efficiency.
- Coordinate with doctors for patient's reports.

September 6 2021 - November 20 2021

Medical Laboratory Technician (Biochemistry department) and Training and Development in-charge

Sardar vallabhbhai institute of medical science & research (SVPIMSR hospital, Abad)

Responsibilities:

- Collection of blood sample.
- Check and perform biochemistry tests.
- Manage and conduct inter-department training for team members' growth.

August 1 2020 – August 1 2021

Medical Laboratory Technician

Shilp Pathology Laboratory, Wadaj, Ahmedabad-380013

Responsibilities:

- Collection of blood sample.
- Process Hematology, Biochemistry sample daily, including manual reporting and quality reviews.
- Conduct lab tests in the area of hematology, biochemistry, clinical pathology, immuno-hormone assay and coagulation.
- Analyzed findings, investigated atypical finding and correctly recorded and reported.

EDUCATION

- 2019 – 2020
DILPOMA IN MEDICAL LABORATORY TECHNOLOGY, IRCS, A'BAD
Indian red cross society, Ahmadabad (Gujarat University)
Percentage: - 74.25%
- 2014 - 2017
BACHELOR OF SCIENCE (MICROBIOLOGY), SIR P T SCIENCE COLLEGE, MODASA
Affiliated to Hemchandracharya North Gujarat University, Patan
CGPA: - 7.01/10.0
Secondary Subjects: Botany, Zoology
- 2012 - 2014
H.S.C. (PCB), NEW ERA HIGH (SCIENCE STREAM) SCHOOL, GODHRA
Affiliated to G.S.H.E.B.
Percentage: - 59%
Subjects: Biology, Chemistry, Physics
- 2012
S.S.C., M & M MEHTA HIGH SCHOOL, GODHRA
Affiliated to G.S.H.E.B.
Percentage: - 69%

ACTIVITIES

- Completed Four Days (Onsite) Training programme on Laboratory Quality Management System & Internal Auditor's Training Based on ISO 15189:2022 Organized by ZyduS Hospital, Ahmedabad.
- Participated in training of Vitros 4600, DaiSorin Liaison, Cobas E411, Diatek, Semen analyzer and Stago Setellite.
- Participated in training of Quality control in laboratory.
- Participated in training of Basic life support and spillage management.
- Participated in training of fire and safety.
- Poster presentation in National Science day, regional level poster competition on "Aim to raise public appreciation on scientific issues for development of Nation". Title:-"Probiotic, Prebiotic and Symbiotic" at Sir P. T. Science College, Modasa, Gujarat. Sponsored by IAPT and GUJCOST.
- Poster presentation in State Level project/poster competition on National Science day-2017 at Sir P. T. Science College, Modasa. Sponsored by GUJCOST and IAPT (RC-7) Gujarat.
- Present Seminar in Science Manthan on "R-DNA Technology" organized by CHARUSAT University, Changa-Gujarat.
- Participate in Youth Festival SANGAT-2017 organized by Kadi Sarva Vishwavidhyalaya, Gandhinagar & Kadi, and Event name: - Group song (Indian).
- Visit GSBTM lab at Gandhinagar.
- Well knowledge in internet and basic computer.

AREA OF INTEREST

- Medical microbiology
- Pathology
- Quality Department

DECLARATION

I, Akash Soni here by certified that all details furnished above are true and correct to best of my knowledge. If given a chance, I shall serve organization to the best of my ability.
