Vadodara, Gujarat, India

Hello everyone, I am Vaishakhi.Maitri, As an aspiring biotechnology student at GSFC University, Vadodara, Gujarat, India. Building my foundation in molecular techniques, genetics and bioprocessing which equally drew me to understanding how groundbreaking research and hands-on experience transforms into viable products. Beyond coursework I want to explore the economic opportunity of science through research, innovation, startups and case studies with a long term vision to either join or contribute to bring these latest technologies in market field. I'm particularly interested in how AI is revolutionising and emerging biomanufacturing approaches can solve global challenges. Let's connect to discuss biotech ideas, academic growth and future collaboration.

Work Experience

Club Coordinator

Aug 2025 - Present

Biotechnology Club | GSFC University

My role is to organizes and manages club activities, plans events, coordinates with members and faculty, promotes scientific learning, and ensures smooth functioning of the club.

Secretary

Aug 2025 - Present

Debate and Elocution Club | GSFC University

My role is to maintains records, manages communication, schedules meetings/events, and supports smooth coordination of club activities.

Aug 2025 - Present

Smart data club | GSFC University

My role is to plans, organizes, and oversees events, ensuring smooth execution and active member participation.

Ambassador

Jun 2025 - Present

International Astronomy and Astrophysics Competition | Vadodara

Officially selected as an student ambassador for IAAC in India. I represent the International Astronomy and Astrophysics Competition with a focus on promoting space science and astrophysics. This position allows me to contribute to global scientific dialogue and encourage to deeper understanding of the universe among youth.

Official email Id:- vmaitri@amb.iaac.space

Global Outreach - Student Member

May 2025 - Present

American Society for Microbiology | Washington, United States

As an ASM member, I'm part of a vibrant community that promotes the advancement of sciences and provide opportunities for growth and collaboration.

Psychology Intern

Jul 2025 - Jul 2025

Fortis Healthcare | Delhi, India

This internship programme included a series of academic seminars that introduced me to clinical diseases and psychotherapy as well as strategies for psychological counselling and experimental learning about the self. I was

introduced to numerous fields of super-specialization in psychology.

Student Intern

Jun 2025 - Jul 2025

Gujarat State Fertilizers and Chemicals Ltd | Vadodara

During my internship at Agrotech Department in GSFC limited. I focused on the production of liquid biofertilizers. I gained practical experience and knowledge. My responsibilities included preparing culture media, working on serial dilution & spread plate methods and ensuring quality control of the final product. I also learned about the application techniques and benefits of biofertilizers in sustainable agriculture and farming.

Volunteer Experience

Associate member

Jun 2025 - Present

YOUNGO Arts, Culture and Heritage WG

Promoting creative storytelling, indigenous voices and culture resilience for raising issue on climate change

Core Skills

Astronomy, Quality Control, Quality Assurance, Quality Management, Good Clinical Practice (GCP),Creative Writing, Analytical Skills, Good Laboratory Practice (GLP),Basic Life Support (BLS),Value Assessment, Strategic Thinking, Clinical studies ,Development Process ,Microsoft Word, Microsoft PowerPoint, Time Management, Presentation Skills, Problem Solving, Research Skills, Communication

Education

GSFC University- Vadodara, Gujarat, India

Jun 2024 - Jun 2028

BSc in biotechnology, Life science

Tree House School - Vadodara, Gujarat, India

Jun 2023 - Jun 2024

HSC Science GPA: 84 percentile

Aditi Science School- Vadodara, Gujarat, India

Jun 2021 - Jun 2022

SSC GPA: 95 percentile

Languages

English (PROFESSIONAL_WORKING), Gujarati (NATIVE_OR_BILINGUAL), Hindi (PROFESSIONAL_WORKING), Mandarin (ELEMENTARY), Bengali (NATIVE_OR_BILINGUAL)

Certificates

Good Clinical Practice

May 2028

The National Institute on Drug Abuse (NIDA)

PfizerUK - Molecule to Market Job Simulation
