OBJECTIVE

Dedicated and compassionate GNM Nurse seeking a challenging position in a reputed healthcare facility where I can utilize my clinical skills, patient care experience, and strong work ethic to provide quality care and support patient recovery.

EXPERIENCE

Dec, 2024 - April, 2025

General Hospital Lunawada

Nurse - Internship

I completed a 5-month clinical internship at General Hospital, Lunawada as part of my GNM nursing training. During this period, I gained hands-on experience in patient care, including monitoring vital signs, assisting with daily hygiene, administering medications, and maintaining patient records. I had the opportunity to work in various departments such as the general ward, emergency, OPD, and maternity unit. Under the guidance of senior nurses and doctors, I developed strong clinical skills, learned infection control practices, and improved my ability to work in a fast-paced healthcare environment. This internship strengthened my confidence, communication skills, and prepared me to take on responsibilities as a professional nurse.
